

JOINT BARGAINING UPDATE #1

Created: February 25, 2019

Sisters & Brothers,

Unifor Locals 111 and 2200 Bargaining Committees have been working on proposals in preparation for the renewal of the Collective Agreement which expires on March 31, 2019. We will inform the membership when we have scheduled dates to meet with Coast Mountain Bus Company.

In preparation, the Bargaining Committee has met, and will continue to meet, with the other Public Sector Unions involved with transit that have collective agreements expiring this year. These meetings are to investigate common strategies.

The other Unions are:

MoveUp (office workers at CMBC) Expires March 31, 2019

CUPE 7000 (SkyTrain) Expires August 31, 2019

CUPE 4500 (supervisors at CMBC) Expires March 31, 2019

BCGEU (Canada Line) Expires Dec 31, 2019

ATU (West Vancouver Transit) Expires March 31, 2019

The Joint committee also attended a Benefits Bargaining seminar tailored to our Collective Agreement. This seminar provided some great information on costing and bargaining benefit strategies.

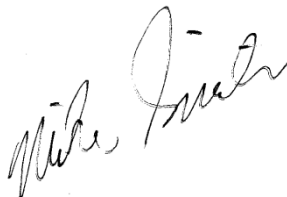

The Joint Committee will continue to update the Membership.

In Solidarity,

Unifor Local 111/Local 2200 Joint Bargaining Committee
